Consent to the processing of personal data

Consent

I agree that my personal data may be processed for the processing purpose mentioned below (name and qualification).

Processing purpose

The processing of the collected personal data is solely for the execution of a certification order, including reporting. In the framework of manufacturer certification, personal data are collected by responsible persons of a company (for example, managing director, quality manager, welding coordinator, inspection supervisors, etc.). The creation of certificates requires, in particular in some cases the specification of personal data (name, first name, date of birth and qualification).

Data protection declaration

This consent is voluntary and can be revoked at any time informally. Upon revocation of consent, the personal data will be removed from the operational system and from the public directories. The undersigned also has a right of access to his stored personal data and the right to correct incorrect data, which limits the processing. If the purpose-binding ceases to exist (eg expiration of the validity of the certificate), the personal data are removed from the operational system and the public directories.

As the responsible body, the Certification Body of TÜV SÜD Industrie Service GmbH is responsible for the compliance with the data protection requirements and is available as an adress.
